

# Ripper

Proudly branded as 'HD' Hamilton Diggers, our rippers are manufactured at a leading factory with over 17 years of expertise. Each unit is backed by a 3-year warranty, giving you total peace of mind.

We supply high-performance rippers for excavators ranging from 1.7 tonnes to 45 tonnes compatible with all makes and models.

Our rippers are built to endure, featuring triple braces on each side and a curved base with interlocked ear plates for superior strength and durability.

Enjoy the flexibility of adjustable pin and ear spacing to meet your specific requirements. A fixed pin option is also available. Crafted from premium Q355 steel, our rippers are designed for longevity and reliability.

With a strong commitment to quality, we adhere to the ISO 9001:2008 Quality Management System and hold CE Certification for manufacturing excellence.
