

Rock Breaker

High-Performance Hydraulic Rock Breakers — each unit is equipped with a custom hitch-mount plate and manufactured under license by a trusted global industry leader, backed by over 35 years of experience in hydraulic breaker technology.

Why Choose Our Rock Breakers?

Our breakers are built for exceptional durability and performance. Engineered to withstand the toughest conditions. The nitrogen-charged design delivers consistent impact force and reliable results across a wide range of applications.

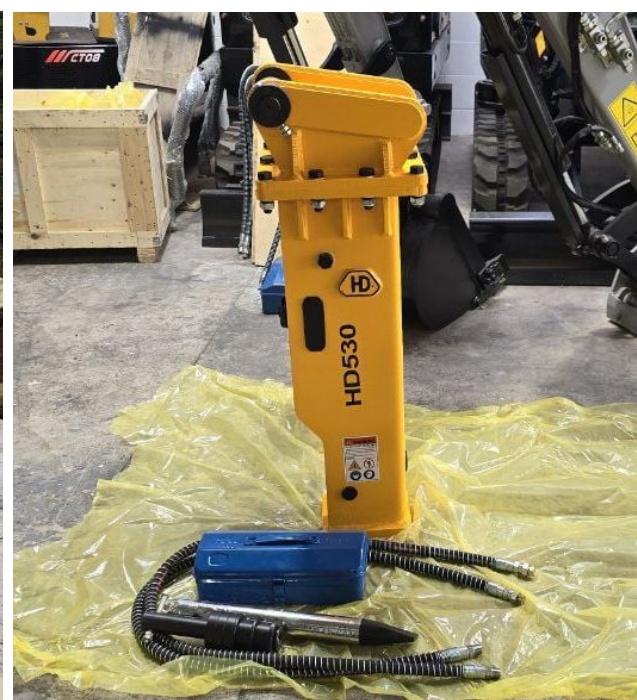

Each Rock Breaker Comes with a Comprehensive Package:

- High-quality hydraulic hoses
- Heavy-duty mounting pins
- Reinforced post cup
- Internal absorber for reduced noise
- Precision-engineered rock chisel
- Complete tool kit with toolbox
- Spare seals
- Nitrogen charge kit with fill and pressure gauge

Enjoy peace of mind with a 2-year warranty that protects your Investment.
